Shree Kavya Patidar Kelavani Mandal - Vadodra
Managed

UMA VIDYALAYA

THE SCHOOL

The School is professionally run by eminent educationists & is managed by Shree Kadva Patidar Kalavani Mandal Vadodra. This trust was established on 31/07/1919 & has completed 101 years & entered into 102nd years of its journey in various fields of education & social activities.

This trust has established a school in 2004-05 named Uma Vidyalaya from KG to Std-12th (Science & Commerce Stream) in Tarsali area, Vadodra. In 2004

School started with 1160 Students, both English & Gujarati Medium, now reached up to 2861 students.

This complex is situated on about 2 Lakh square feet lush green campus. The school has unique building plan for sections which renders extra-ordinary ambience to the campus & is unique in its own way. It is child friendly & the school has pre primary section with 23 rooms, primary section with 32 rooms, secondary & higher secondary section with 35 rooms. It has separate canteen with dining hall, Administrative building with excellent architecture which are the specialities of this educational complex. In campus, the concrete roads & separate parking areas for the students are provided in the year 2016. New infrastructure has been developed in which, first floor on the administrative office, dome in Primary Section where students perform various cultural activities and enjoy snacks during recess period.

The entire complex is fully protected by a compound wall and a large entrance gates with security cabin.

Due to continuous donations received from the various donors the school has reached pinnacles of success.

MISSION

- To prepare the students to face challenges ahead & to develop their critical thinking skills for decision making.
- To develop their competence in self assessment & self discipline.
- To guide the children towards appropriate behavior, to strengthen their peer relationship and motivate the students to explore unknown boundaries.
- We have adopted online & E – Learning teaching during pandemic started from April 2020 for primary, secondary & Higher Secondary section and from June 2020 for pre-primary section also and the same pattern of learning will be followed in future.
- To attract the tiny tots of Pre-primary section and to make it interesting various animated rhymes and stories were shared with them through E- learning

CLASSROOMS

- Classroom is a ground of learning therefore for easy understanding and assimilation we have interactive smartclasses.
- The rooms are well ventilated, spacious & well equipped with modern amenities. In every classroom, there is C.C.T.V. camera covering all the activities of the class, where functional, well designed furniture makes learning a comfortable and pleasant experience.
- The curriculum is set in such a way that it enhances the skills of observation , critical thinking in a stress-free environment.

SMART CLASS

Smart Class has digitized the entire curriculum in the form of pictures, videos and animation to enhance the teaching & learning process and teachers are provided with the essential tools such as O.H.P, DVD, wide screen T.V, LCD projector etc to manage the classroom and to assess the students. Individual smart class for std. Xth & XIth science as well as all other sections are also provided with separate smart class. 7 individual smart classes were started & Hi-Computing system was installed to give latest knowledge about new technology.

SCIENCE LABORATORIES

- We believe in developing the scientific bent of mind and aptitude at a very young age therefore we encourage the children to make use of all three Science Laboratories - Physics, Chemistry and Biology. All the three Labs are stocked with latest equipments to allow each student to work independently on experiments.

Various science experiments were shared by the Pre-Primary teachers with students during E-Learning.

MUSIC / DANCE / ART & CRAFT

- To tap the potential & abilities of the students, we have team of expert music, dance, art & craft teachers. Exclusive music room is set-up, where students learn music activities under the guidance of music teacher. Music room is well equipped with various musical instruments eg. Harmonium, Cassio, Tabla, Dholak etc. In Annual Functions of the school, the well trained students present fabulous programmes.

- During Navratri Pre-primary students were encouraged to perform virtual garba dance at home. Students were kept engaged by doing colourful creative activities through E-learning like preparing greeting cards on teacher's day.

COMPUTER

Nothing epitomizes modern life better than computers. The computer Lab is equipped with the latest techno tools to facilitate effective and impressive teaching and accelerate students diversified learning process. The computer facilities include the internet, net working, downloading and scanning equipment which is managed by a trained faculty. The school provides separate computer rooms for both primary and secondary sections.

According to GSEB/NCERT syllabus students of X & XII std can choose computer as one of their main subjects. All the softwares are there to meet the requirements of the curriculum with the help of qualified & experienced teachers. Time to time upgradation is done.

LIBRARY

- Libraries store the energy that fuels the imagination. They open up windows to the world and inspire us to explore, achieve and contribute to improving our quality of life. Book not only satisfies the curious mind but also feeds the soul with peace and renewed energy. Textual & reference books for all subjects of English & Gujarati are available for the Students.
- There is separate well equipped computerized library for primary & secondary section.
- Class library is also started to inculcate reading habit amongst the students & every week new books are issued to the Students from the new arrivals.
- Parents can also avail library facility & issue book according to their reading interest on every Saturday between 10:00 a.m. to 12:00 p.m.
- Books exhibition was organized for teachers of all the section.

PRE – PRIMARY SECTION

- Story telling session was taken by teachers with the use of various effective techniques through E-learning.
- Academics teaching as per the syllabus was made interesting by preparing videos by class teachers on all the subjects.
- Home work notebooks were collected and correction was done by teachers during this pandemic.

PHYSICAL DEVELOPMENT (SPORTS/GAMES)

- The school devotes sufficient amount of the school time for sports & physical training. We provide facilities for different outdoor games like running tracks, basket ball, volley ball, dodge ball, badminton, kabaddi & kho-kho etc. A separate section has been planned out for the indoor games like table tennis, carrom, judo, karate and health club facility. Our students have received various medals in different events at district & state level competitions.
- To generate interest for Yoga & Meditation, Yoga sessions are organised for the students online & for teachers in individual section.
- Fit – India programme started by Dujarat Govt, to create awareness among students regarding health.

CO – CURRICULAR ACTIVITIES

- For the over-all development of the students extra co-curricular activities are also very important. All the required sport equipments are available. Students participate in various extra co-curricular activities like: games, science & art related activities.
- In the face of COVID-19 pandemic and the need for social distancing school had conducted various activities and celebrations online like Janmashtami, National sports Day, Hindi Diwas, Rakhi making activity etc, wherein students show their creative skill enthusiastically.
- On teachers day children participated by becoming a teachers and taking online lectures. They expressed their gratitude through a short film on teachers.
- Gais foundation conducted essay and group dialogue stage competition.
- Students made beautiful Ganesh idols from clay and decorative things on Diwali like Diya, lamp, Toran etc. and sent the photos online.
- On 2nd Oct 20 Gandhi Jayanti, inter school quiz competition was organized online. E- certificates were given to all the participants.
- Under Eco-club activity tree plantation was done by teachers & by students in their surroundings.
- Various activities are conducted to sensitize the children towards different social issues.

FUN FAIR

Since 2017-18 School has organized a Fun filled activity for the students. A huge crowd attended the "Fun Fair" program which was filled with entertaining activities. The main attraction was 'stalls' kept at the programme by students. All the students, teachers, principal, trustees and other staff members were gathered to enjoy this beautifully crafted fun hours. Kids were found having their best time in rides like ferris wheels and merry-go-round. The faces of the people attended the event were as vibrant as the programme was.

EDUCATIONAL / FIELD TRIPS

Every year school organizes picnics & education/ field trips from Pre-Primary section to Higher Secondary Section at various places like temple, Shopping arcade, Water parks, River bank, Airport, Botanical garden, Enjoy city, Seren-cottage & other picnic spot. Students get knowledge regarding nature & environment. Due to pandemic we were unable to conduct field trips.

COUNSELLING

- Kind words, appreciation and a pat on the shoulder of the child does wonders. The children are counselled, advised and given solution to their anxieties, emotional and behavioral issues. The excellent team comprising Administrator, Principals, Supervisors and Teachers have helped the school to reach the pinnacles of success.
- We are conducting online counseling of our students.

TEACHER/PARENTS INTERACTIONS (PTA)

- It is our target to achieve academic excellence and shape the future of our students in such a way that they turn out to be responsible, balanced and mature adults. For the over-all development of the child we bridge the gap between the school and the parents by organizing frequent Parent Teacher Meeting.
- Parents are free to discuss with the Principal about the progress of their ward online or during school time personally.
- Online parents teacher meeting was conducted to discuss about child progress, online teaching, syllabus and discipline etc.
