Shree Kadva Patidar Kelavani Mandal - Vadodara
Managed

UMA VIDYALAYA

ABOUT THE SCHOOL AND THE TRUST

The school is professionally managed by Shree Kadva Patidar Kelavani Mandal - Vadodara, a trust which consists of eminent educationists with a progressive vision. This trust was established on 31/07/1919 and has a rich cultural heritage of more than 104 years.

The school has been embarking on a prosperous journey while enriching its basket of offerings.. This trust established the school at Tarsali area of Vadodara in 2004-05 and named as Uma Vidyalaya. The school's multidimensional program include education for students from KG to Std-12th (Science and Commerce stream). In 2004 School started with 1140 students for both English and Gujarati medium, now reached up to 2848 students.

The school is affiliated to GSEB board of Gujarat.

Robust infrastructure for easy accommodation of all classes and sections

The school campus spreads across approx 2 lakh square feet of lush green cover. The school management is deeply committed to maintain a cheerful , safe and secure environments so that every member starts recognizing it as "second home".

The school has separate buildings for each sections and standards. The well defined buildings dedicated to each of the learning groups are as below

- Pre-primary section
- Primary sections
- Secondary and higher secondary section

It has separate canteen and dining hall and administrative building with excellent architecture which are the specialties of this educational complex. Campus, has concrete roads and separate parking areas

The entire complex is fully protected by compound wall and large entry gates with 24x7 security guards taking care of all security need of the school.

FACULTY

The faculty of the school has rich experience in their respective subjects. Currently there are 60nos of teachers and 35nos of non teaching staffs. The non teaching staff includes librarian, lab assistants etc, who help the faculties to run the classes seamlessly.

- 46nos of teachers in pre-primary and primary section
- 16 nos of teachers in Secondary and Higher secondary section

There is adequate teachers to take care of the increasing number of students.

MISSION

AS the saying goes..

“if you are planning for a year, sow seeds

If you are planning for ten years grow trees

If you are planning for a lifetime, develop Humans”

The school aims to equip its students with requisite skills to face challenges posed by rapidly changing world. Its teaching staff puts in their best efforts to inculcate a combination of scholastic and co-scholastic skills that will help the students to develop an inquisitive and creative mind.

CLASSROOMS AND FACILITIES

Classroom is a place where the actual learning takes place through student- teacher interaction and transfer of knowledge happens. The classrooms of the school are spacious , well ventilated and well equipped with modern amenities. All the class rooms are equipped with essential tools such as OHP, DVDs, wide screen LCDs.

All the classrooms are covered with CCTVs giving full access to school administration for continuous monitoring of the activities in the class room.

SMART CLASSES

Smart class is a comprehensive solution designed to assist teachers in meeting with their day to day class room challenges. They enhance student’s academic performance with simple, practical & meaningful use of technology. They add values in three ways.

- Helping students to understand abstract and difficult contents in easy way
- Enabling multi-sensory learning in classrooms
- Enable instant formative assessment of learning outcome in class

Std 1 to 8 have individuals smart classes while all other sections are also provided with separate smart classes. There are 3 smart classes with N-computing system installed in them.

SCIENCE LABORATORIES

We believe that developing the scientific bent of mind and aptitude at a very young age. Therefore we encourage the children to make use of all the three science laboratories viz. Physics, Chemistry and Biology. Various science experiments are carried out under the guidance of skilled lab assistants. These labs quench the thirst of inquisitive minds who want to see various scientific principles as working ideas thus paving the way for future scientists.

Extracurricular activities To tap the potential and abilities of the students, we have a team of trained and expert faculty members. The teachers strive hard to bring out the best in the students right from the very young age. Our aim is that every child at our school should have a vivid experience of art & craft, Music and Dance so that while leaving the school they are confident, enthusiastic and outspoken towards the world.

MUSIC / DANCE / ART & CRAFT

We have rooms for Music well equipped with various musical instruments which provide right atmosphere to students. Our students perform during Annual Function.

During Navaratri the school wears a colorful atmosphere where students and teachers jointly perform Garba dance.

COMPUTER LAB

Nothing epitomize the modern life better than the computers. It has become such an integral part of life that it becomes almost inseparable now. The school is proud to have separate computer lab where students can do hand on practice to learn various computer programs and their functions. The lab has been well connected to internet as well.

LIBRARY

The school has a library which hosts a huge collection of books covering a wide gamut of subjects, reference books, magazines, periodicals, newspapers and DVDs . Students are encouraged to visit the library at any time during their break and borrow any books they want. There is enough seating area for the students and teachers, and they have easy access to facilities provided by the library.

The school has subscriptions of various newspaper and magazines which provide opportunity to learn about the current affairs that prepares students for competitive examinations.

PRE-PRIMARY SECTION

The pre-primary section is the first step towards building a successful educational career. The pre-primary section consists of Play Group, Jr. KG and Sr. KG. We welcome the little children with a lot of warmth and love with a mission of providing them with a nurturing and fulfilling career path. We understand that these early years of learning build the basic foundation for easy transition to elementary school and beyond.

We started to Celebrate graduation day from 2021-22 which students of KG.section enjoyed a lot.

Extra efforts were taken by teachers for collection , checking and correction of the home assignments during the pandemic.

Various activities and celebrations like Janmashtami, Diwali, Seed germination, Ganesh Chaturthi etc. are conducted to impart knowledge about our values and traditions. Students were encouraged by seeing beautiful decorations done by the teachers.

SPORTS

Our school aims at all round development of each child. We firmly believe that a healthy mind resides in a healthy body. At Uma Vidyalaya, we provide facilities for different outdoor games such as athletics, basketball, volley ball, badminton, kho-kho, kabaddi etc.

A separate section has been planned out for the indoor games such as table tennis, carrom, judo, karate and health club facilities.

To generate interest for Yoga and Meditation various sessions are organized for students and teachers separately from time to time. Students at Uma Vidyalay have participated and provide their mettle in various Intra and Inter School competitions and tournaments. It also helps students understand the value of leading a physically healthy lifestyle.

CO-CURRICULAR ACTIVITIES

We understand the importance of extra curricular activities for all round development of the students. Some of the regular extra curricular activities which are regularly performed at school are

- Rakhi making activity during Raksha Bandhan
- Participation of Children on Teachers Day celebration
- Making of Ganesha Idols during Ganesh Chaturthi
- Making of colorful Diyas and Ragoli during Diwali celebrations
- Quiz competition during Gandhi Jayant celebration

Lion's Quest- a two day teachers training workshop organized by Lions Club to train the teachers regarding changes and challenges faced by students attaining adolescence.

Every year Garba Night is organized in the school and puja is offered to Goddess Durga to bring bright future to the school and its students which fills the atmosphere with positive vibes.

FIELD TRIPS AND EXCURSIONS

A mere knowledge acquired from books become monotonous if it is not based on orientation and observation. Keep this in mind every year school organizes picnic and educational field trips for all the sections right from pre-primary to Higher secondary section to various places of importance. These tours are highly informative as well as educational.

FUN FAIR

Since 2017-18 school has been organized Fun-Fair, a fun filled activity for the students. The event is organized with great enthusiasm by the students and teachers which includes various entertaining activities as well as "stalls" which gives an opportunity to the visitors to have a taste of various cuisines.

All the students, Teachers, Principal, Trustees and other staff members gather to enjoy the beautifully crafted fun moments.

Kids also enjoy their time in rides like ferris wheels and merry-go-round.

COUNSELLING

The school has a strong staff comprising its Principal, Administrator, Supervisor and Teachers who regularly attend to the emotional, social and personal needs of the students. Regular sessions are conducted for career counselling and proper guidance is provided for choosing right career path. Besides counselling is provided on study habits, time management, coping with stress during examination time etc.

Various activities and celebrations like Janmashtami, Diwali, Seed germination ,Ganesh Chaturthi etc. conducted to impart knowledge about our values and traditions. Students are encouraged to participate in all activities & programmes .

PARENT TEACHER INTERACTION (PTA)

“Together may we give children the roots to grow & the wings to fly “

We understand the partnership between parents and teachers for making a successful educational process. A two way healthy communication on the child’s nature, interest, habits and areas of concern helps the teacher to handle the child in a better way at school.

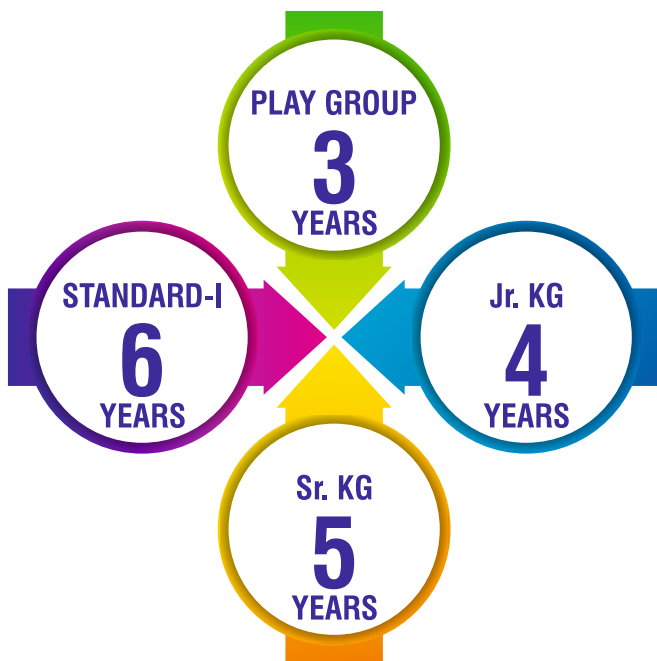

We invite the parents to participate in Parent teachers meet to receive and give feedback on students’ progress. On completion of the academic session, report cards are shown to parents and are updated on the progress of the child.

ADMISSION PROCEDURE AND REQUIREMENTS

Uma Vidyalaya is affiliated to GSEB Board. The medium of teaching is both Gujarati and English. Parents of aspiring students who want to take admission in the school need to go through the Admission procedure before taking admission into different classes as per class strength and vacancies available from time to time.

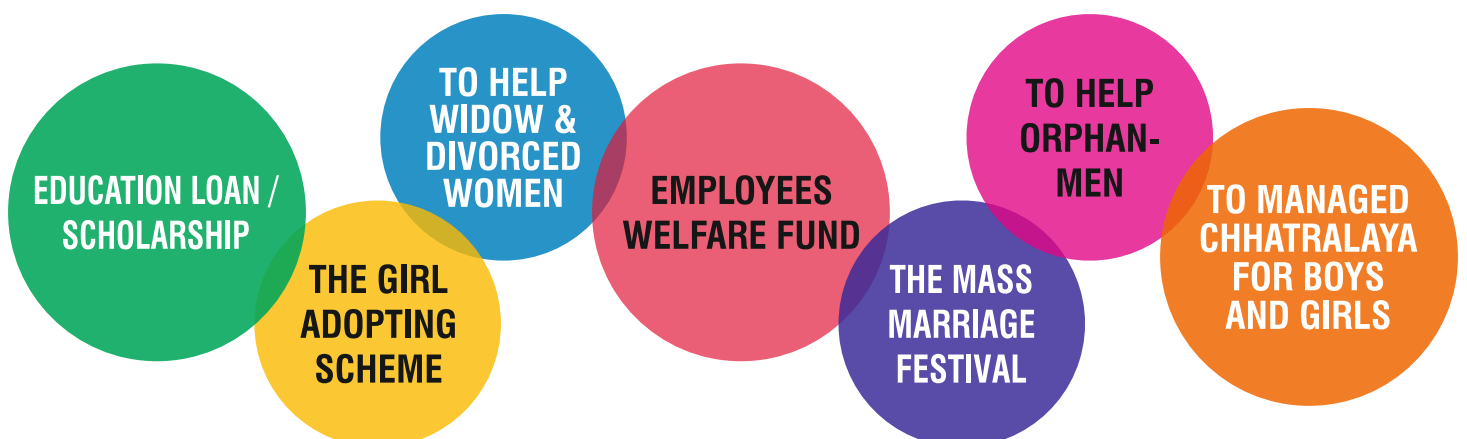

ELIGIBILITY CRITERION AT THE TIME OF ADMISSION
